

ESSKA—AOSSM-APOSSM Travelling Fellowship

This renowned biannual international exchange programme for up and coming sports medicine orthopaedic surgeons, in collaboration with the American Orthopaedic Society for Sports Medicine (AOSSM) and the Asia Pacific Orthopaedic Society for Sports Medicine (APOSSM), provides a stimulating environment for the global growth of sports medicine. Selected as potential leaders in sports medicine in the future, fellows will, among others:

- participate in scientific symposia with host physicians
- view research facilities and surgical procedures
- attend a national sports medicine meeting in the region they are visiting
- participate in the social and cultural activities with the hosting sports medicine community
