

# ISAKOS HIGHLIGHT

Apply for  
Fellowships!

[Fellowship Applications Now Open!](#)

### [ISAKOS Global Traveling Fellowship](#)

Coordinated by the ISAKOS Traveling Fellowship Committee, the fellowship will provide the opportunity for orthopaedic surgeons from five regions to travel with an ISAKOS Godfather to the region of the 2021 ISAKOS Congress. Fellows will have the opportunity to observe sports orthopaedic surgeries performed by highly respected surgeons, discuss the surgical procedures and all aspects of patient management and to discuss and share research experience.

### [The Patellofemoral Traveling Fellowship](#)

Sponsored by the Patellofemoral Foundation, Inc. The Patellofemoral Traveling Fellowship was established in 2005 by the Patellofemoral Foundation and ISAKOS to promote better understanding and communication around the world regarding Patellofemoral pain. The Patellofemoral Traveling Fellowship is available on a competitive basis to an orthopaedic surgeon interested in the study and advancement of understanding of the Patellofemoral joint.

### [ISAKOS Knee Arthroplasty Traveling Fellowship](#)

Sponsored by Nicolaas C. Budhiparama & Inge Widjaja Nicolaas Institute of Constructive Orthopaedic Research & Education Foundation for Arthroplasty & Sports Medicine. Coordinated by the ISAKOS Knee Arthroplasty Committee, the fellowship will provide the opportunity for selected young orthopaedic surgeons, currently working in developing countries, to travel to various medical sites around the world to learn more about knee arthroplasty and to be exposed to the techniques of well-respected expert surgeons. At each site, the fellow will participate in knee arthroplasty surgical procedures, patient management or cadaver dissections in order to broaden their knowledge of the procedure.

### [ISAKOS Young Investigator's Scholarship & Research Mentoring Program](#)

The ISAKOS Young Investigator's Scholarship and Research Mentoring Program was developed by the ISAKOS Scientific Committee as a mentor-mentee program for young investigators with a specific focus on developing countries. The program seeks to stimulate research and education in developing countries, foster international collaboration, and promote academic excellence in arthroscopy, knee surgery and orthopaedic sports medicine.
